Dear Football Fan,

For the past four years, Gig Harbor Bulldogs, a non-profit organization, has been an active member in the local community providing a competitive, quality football program for the youth of Gig Harbor, Key Peninsula, and surrounding communities. Our teams compete in the Greater Puget Sound Youth Football League with teams from Pierce and King County. With registrations totaling 190, our football and cheer athletes receive a comprehensive, competitive program encompassing instruction by qualified, experienced coaches. We strive to set the standard for football and cheer in our community.

No child is turned away because of an inability to pay. Therefore, it is necessary for our program to raise funds through sponsorship and donations to cover the costs of equipment, field rental, insurance, and league fees.
