

Bulldog Football and Cheer Welcome

Welcome to Bulldog Football! We are expecting a great year.

The date, time and location of practices will be provided at a later date via email and the Bulldog website.

Player Eligibility - Please take care of all eligibility issues by the first day of practice. You will need to supply copies of:

- Last report card (for grade verification)
- Birth Certificate
- Current Physical (in last 2 years)
- Completed Registration Forms

The Bulldog organization has the following policy for problem resolution:

- For general questions – Team Parent
- For problems – speak to the Athletic Director. You will be given contact information.
- For football concerns – see your coach –he will be available after practice.

Fundraising - With the expenses of running an organization like ours, fundraising is necessary. Our fundraising coordinator is working hard. We will be selling cookie dough and Entertainment books. Look for information to come home the first week of practice. There will be a buy out option for those not wanting to participate.

Bulldog Sponsors - We are looking for sponsors to help cover costs not covered by registrations.

Our league fees are \$2700, Field rental \$14,000, insurance \$2100 and \$325 to outfit each player.

If you own a business or know someone who does, please consider asking them to make a tax deductible donation to Bulldog Football. All sponsors are listed on our website and will be on our Sponsor Board that will be displayed at the league Jamboree and at all home games.

All volunteers who will be on the field must have a state patrol background check. These are free and must be completed before the league Jamboree in August. Those needing background checks are: yard marker crew, practice water crew, and team parents. More info will be coming on this later.

Bulldog football adheres to a policy used by most other organizations when checking out equipment. We will require a post dated check or credit card number. This is to insure that equipment will be returned. All checks and card numbers will be locked in a safe for the season and returned at equipment check in.

Bulldog apparel will be available for order when practice starts in July.

Team parents will be contacting you after practice starts to verify all your contact information and to give you any new information and updates.

For all forms and more information, go to **www.ghbulldogs.org**

Again, welcome to Bulldog Football and we hope you are excited about the upcoming season as we are.
